The World's Largest Disability Sport Conference

UNESCO launched a Call to Action on Disability Sport at the Paris Paralympic Games.

We are delivering solutions, and invite you to help.

600 delegates and trade exhibitors from academia, international organizations, government/local government, civil society, the private sector will shape change in inclusive sport, physical education and adapted physical activity.

INVITATION

Our partners support will elevate this events impact in the lives of people with disabilities worldwide.

Your support can help ensure ISAPA2025:

- is a milestone event in disability sport
- builds capacity, locally, nationally and internationally, across sport, health and education
- facilitates delegates from and builds capacity in least developed countries and Small Island Developing Countries
- supports people with disabilities in driving inclusive practice in and through sport

ISAPA 2025 - Learn, Share and Shape

- keynote speakers
- trade exhibition
- scientific programme
- CPD training opportunities
- cultural and social programme

Your involvement can enhance the experience for attendees and give you valuable exposure to a diverse and engaged audience.

WHY PARTNER

- Partnership is critical to the SDGs, we seek partners who share our vision for an inclusive world in and through sport
- Meet your CSR obligations while advancing a global Call to Action for disability inclusion
- Be a leader in sustainable development and human rights using sport for those furthest behind
- Be an industry leader in advancing this global agenda
- Aligning with a cause that resonates deeply with our 600 delegates, trade exhibitors, and guests and dignitaries
- Show your commitment to disability inclusion through our media efforts, website, social media campaigns and press releases.
